

**BIRCH HOLLOW ESTATES PROPERTY OWNERS TREE REMOVAL
AND NEW SHED OR FENCING INSTALLATION CONDITIONS**

Upon receiving permission from Birch Hollow Estates Property Owners Association, for the removal of the tree(s) as noted on the submitted request, the property owner must agree to submit acceptable landscape plans to be completed after the tree(s) are removed and the remaining stumps of the removed tree(s) must either be ground down or cut as close to the ground as possible. The above requirements must be completed within six months of the tree(s) removal.

New fencing must be within the property owner's boundaries.

If this inspection is for a shed placement, after the association's approval, due to township rules a permit and inspection by a township official is required before construction can be started.

The property owner's signature signifies understanding of the above conditions.
